RE: Anna Eshoo for Congress

Dear Mr. Wyrick:

I serve as treasurer to the above-mentioned committee. I am in receipt of your letter dated May 1, 2008 in which you indicate the committee s year-end filing of the Form 3Z-1 needs to include not only the contributions received but all of the receipts of the committee.

The legal and accounting firm that prepares the campaign reports recently obtained new reporting software. The program erroneously calculated the totals on Form 3Z-1 using only the contributions and not the other receipts. The software has recently been updated to correct this problem, and I am submitting the corrected report.

Please feel free to contact me if you have any further questions.

Very truly yours,

CHRISTOPHER REAM
